-  When using electrical equipment, basic safety precautions should always be followed, including the following:
- Read all instructions carefully before installing and save for future use.
 - Make sure all connections are in accordance with the National Electrical Code and local regulations.
 - To avoid possible electric shock, be sure the power supply is turned off before servicing or installing the fixture.
 - Service should be performed by qualified personnel.
 - These instructions may not cover all details or variations. If additional information is needed, please contact Visa Lighting.

INSTALLATION INSTRUCTIONS

Model: **OW1709, OW1713, OW1721, OW1725, OW1729**
Fixture Family: **NORTHRIDGE/SOUTHRIDGE**
Document Description: Installation Instructions for
Surface Mount Northridge Southridge Series Luminaires

1. Locate and drill wall anchor holes.
2. Caulk around junction box and wall anchor holes staying outside of hole pattern. Refer to page 3 for caulking instructions.
3. Secure mounting plate to junction box and wall with hardware provided making sure "TOP FRONT" is properly oriented.
4. Make all electrical connections according to local and national codes.
5. Mount housing to mounting plate hardware making sure EPDM rubber washer is installed first, metal washer is next, and 1/4-20 nut is last. Tighten to secure and seal. Do not over tighten.
6. Secure front shield to shield supports by snapping ball studs into ball clips.

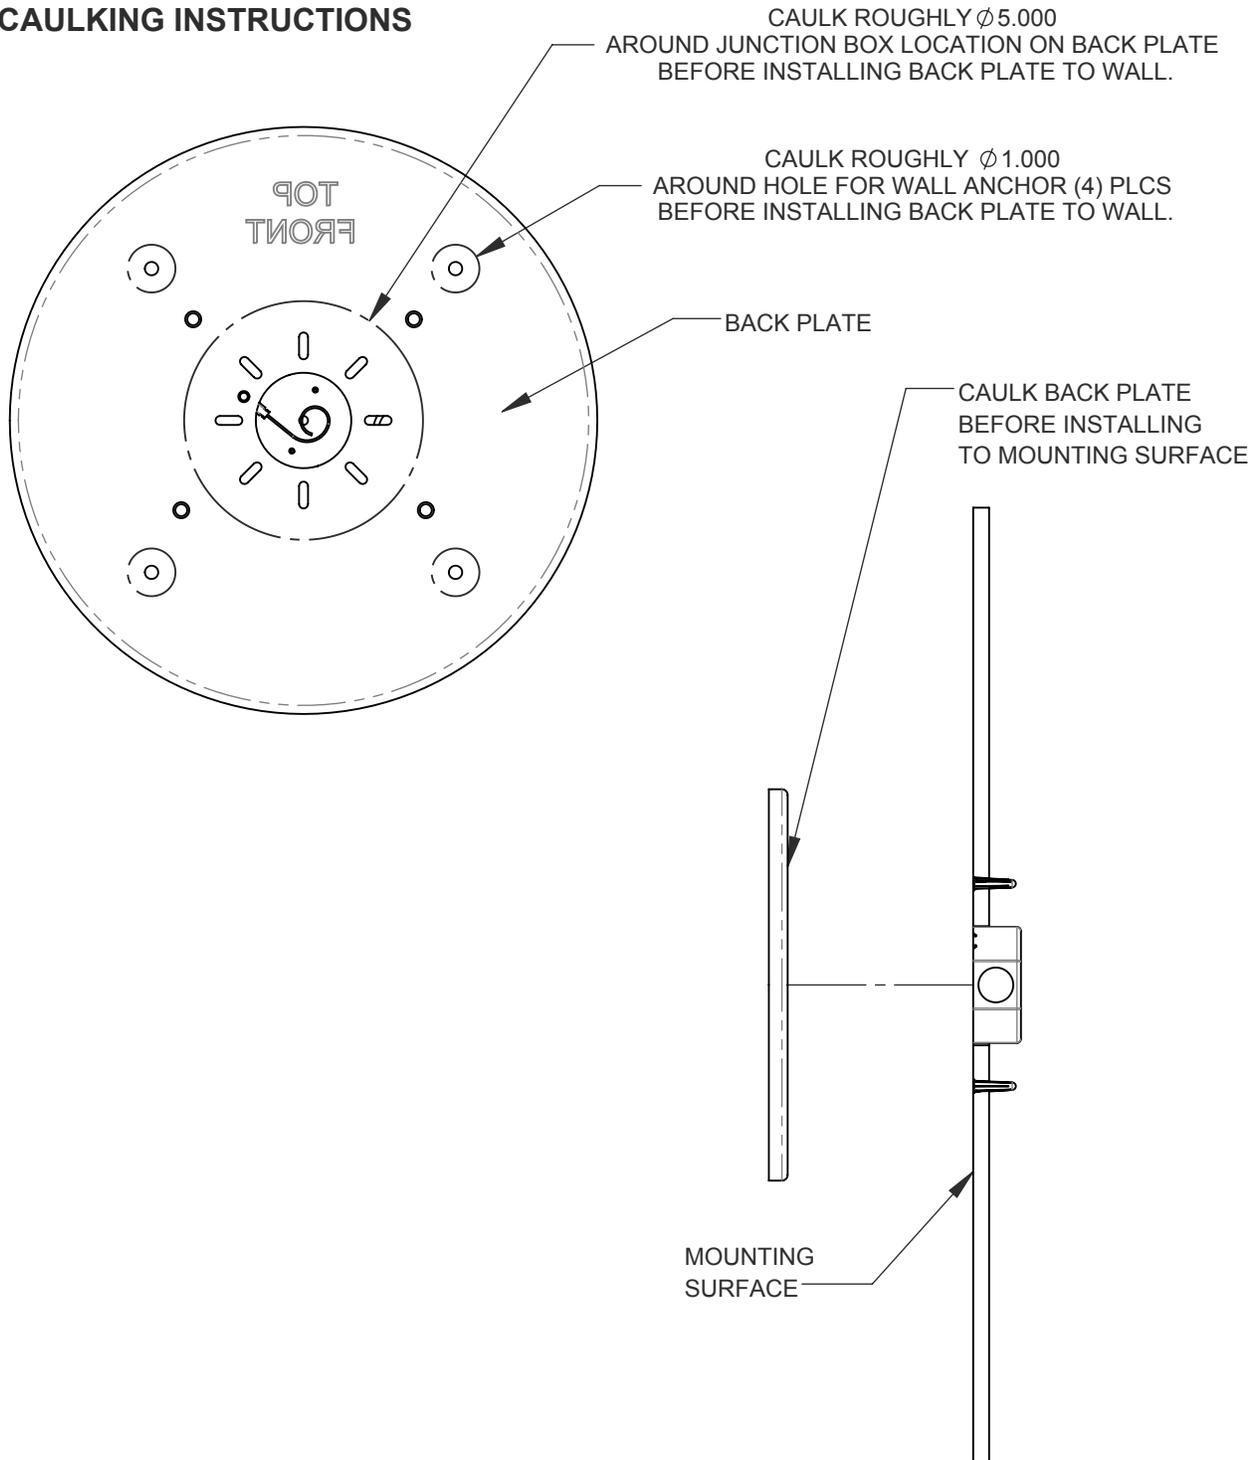

When using electrical equipment, basic safety precautions should always be followed, including the following:

- Read all instructions carefully before installing and save for future use.
- Make sure all connections are in accordance with the National Electrical Code and local regulations.
