INSTRUCTIONS

1. Unscrew decorative knobs to remove trim/lens.
2. Loosen lamp plate screws, twist lamp plate to remove from mounting plate.
3. **Attach mounting plate to junction box - mark the locations of auxilliary mounting holes. Remove mounting plate and install anchors for auxilliary screws. Secure mounting plate to ceiling.**
4. Wire lamp plate; Make all electrical connections in accordance with local and national electric codes... secure to mounting plate.
5. Realign trim/lens to studs protruding from mounting plate and secure with decorative knobs.

When using electrical equipment, basic safety precautions should always be followed, including the following:

- Read all instructions carefully before installing and save for future use.
- Make sure all connections are in accordance with the National Electrical Code and local regulations.
- To avoid possible electric shock, be sure the power supply is turned off before servicing or installing the fixture.
- Service should be performed by qualified personnel.
- These instructions may not cover all details or variations. If additional information is needed, please contact Visa Lighting.
